Deanna L. Jones – City Clerk, MPCC/MMC

In light of the current public health crisis and the Federal, State, and County Emergency Declarations, and in accord with the provision of Sec. 610.020, RSMo., the City recognizes that it would be dangerous and impractical, if not impossible, for meetings to be physically accessible to the public. The City also recognizes the need for the public's business to be attended to in order to protect the public health, safety, and welfare. In order to balance both the need for continuity of government and protection of the health and safety of our residents, business persons, and employees, this meeting of the City of Berkeley will not be open to public attendance in person. The meeting will be accessible by the public in real time ONLY by video/audio webinar.
