Deanna L. Jones – City Clerk, MPCC/MMC

In light of the current public health crisis and the Federal, State, and County Emergency Declarations, and in accord with the provision of Sec. 610.020, RSMo., the City recognizes that it would be dangerous and impractical, if not impossible, for meetings to be physically accessible to the public. The City also recognizes the need for the public's business to be attended to in order to protect the public health, safety, and welfare. In order to balance both the need for continuity of government and protection of the health and safety of our residents, business persons, and employees, this meeting of the City of Berkeley will not be open to public attendance in person. The meeting will accessible by the public in real time ONLY by video/audio webinar.

REPORT TO CITY COUNCIL

To: The Honorable Mayor and City Council Members

FROM: Debra M. Irvin, City Manager

DATE: November 5, 2020

SUBJECT: Case No. 20-09: Amendment to Ordinance 4527 regarding medical marijuana zoning and amendments to Zoning under the Special Use Process and Amendment of Schedule of Licensing Fees

The above Subject item has been investigated, and the findings are listed as follows:

BACKGROUND

The matter was heard before the June 10, 2020 Plan Commission meeting and referred to City Council to amend the City of Berkeley Zoning Code, Section 400.020 to include licensed medical marijuana facilities as defined by State of Missouri Article XIV, Section 1. Effective December 31, 2019, those classifications were defined in the Code of State Regulations (CSR) Division 30, Division of Regulation and Licensure, Chapter 95, Medical Marijuana, under Title 19 categorically defines agencies and uses that should be added to current Ordinance 4527.

ZONING DISTRICTS

C2, C3, AD, AD-2, and M1, under the Special Use Permit Procedures Section 450.530.

JUSTIFICATION

As of December 31, 2019, the Department of Health and Senior Services (DHSS), Division 30-Division of Regulation and Licensure issued the final, 19-Code of State Regulations (CSR) through Chapter 95 related to Medical Marijuana. The CSR outlines general provisions for the specific categories of medical marijuana operations. Ordinance 4527 and Special Use Permit zoning code Section 400.530 will need to be amended in order to comply with State of Missouri definitions and to provide clarity of the City of Berkeley code. The categories for licensed medical marijuana facilities that will be relevant for the City of Berkeley are; cultivation, dispensary, manufacturing, testing, and transportation.

SCHEDULE OF LICENSING FEES

DHSS has published the State of Missouri fee schedule for medical marijuana licensing and Section 605.090 requires amending to add those fees to Berkeley's Schedule of Licensing fees to reflect those of the State of Missouri.

DISTANCE REQUIREMENTS

19 CSR 30-95.040(4)(B) indicates, *Unless expressly allowed by the local government, no new cultivation, infused products manufacturing, dispensary, or testing facility shall be sited, at the time of application for license or for local zoning approval, whichever is earlier, within one thousand (1,000) feet of any than existing elementary or secondary school, daycare, or church.*

The City of Berkeley code Section 600.210 B indicates, *No such license shall be granted to any entity which is within three hundred (300) feet of any school, church, park or playground including, but not limited to, day care centers and preschool centers.*

In the cases of medical marijuana facilities, the distance requirement would be amended from the State requirement of one thousand (1,000) feet to Berkeley's code of three hundred (300) feet.

FLOOR SPACE

Pertinent to the Special Use Permit zoning codes of (C2), (C3), AD, AD3 and M1 districts with regard to building size, we request to add the following provision; *Any building being used as a medical marijuana facility shall have a minimum floor area of one thousand (1,000) square feet.*

REQUESTED CITY COUNCIL ACTION

Referral to the City Plan Commission for review and approval of amendments to Ordinance 4527 and zoning codes C2, C3, AD, AD-2 and M1 districts, Special Use Permit Section 400.530, regarding provisions for medical marijuana facilities and floor space requirements within the City of Berkeley. Also, requesting the amendment of the Schedule of License Fees, Section 605.090 to reflect State of Missouri licensing fees.
