

Introduced by: City Manager Debra M. Irvin

AN ORDINANCE AMENDING ORDINANCE 4527; AND AMENDMENT TO ZONING OF C2, C3, AD, AD-2 AND M1 DISTRICTS UNDER THE SPECIAL USE PERMIT PROCESS; AND AMENDMENT TO SCHEDULE OF LICENSING FEES RELATING TO MEDICAL MARIJUANA AND RELATED USES

WHEREAS, The State of Missouri permits, licenses and regulates the operation of medical marijuana entities under specific classifications; and

WHEREAS, on March 18, 2019 the City Council passed Ordinance 4527 which amended Section 400.020 of the Berkeley Municipal Code to include definitions of medical marijuana in the C2, C3, AD, AD-2, and M-1 Districts; and

WHEREAS, on June 10, 2020 the City Plan Commission met and heard the matter to amend the existing ordinance by adding new definitions, distancing requirements, and fees. The Plan Commission recommends approval to the City Council.

WHEREAS, the Berkeley Municipal Code should be amended to reflect all approved classifications as provided in State of Missouri Constitution Article XIV, Section 1 and 19 CSR 30.095 which outlines the definition of medical marijuana for medical use and for medical marijuana agencies.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BERKELEY, MISSOURI, AS FOLLOWS:

Section 1. Section 400.020 Definitions, of Chapter 400, Zoning, of the Berkeley Municipal Code is hereby amended to include the following new definitions:

Medical Marijuana Cultivation Facility means a facility licensed by the department to acquire, cultivate, process, store, transport, and sell marijuana to a medical marijuana dispensary facility, medical marijuana testing facility, or to a medical marijuana-infused products manufacturing facility.

Medical Marijuana Dispensary Facility means a facility licensed by the department to acquire, store, sell, transport, and deliver marijuana, marijuana-infused products, and drug paraphernalia used to administer marijuana as provided for in this section to a qualifying patient, a primary caregiver, another medical marijuana dispensary facility, a medical marijuana testing facility, or a medical marijuana-infused products manufacturing facility.

Medical Marijuana-infused Products Manufacturing Facility means a facility licensed by the department to acquire, store, manufacture, transport, and sell marijuana-infused products to a medical marijuana dispensary facility, a medical marijuana testing facility, or to another medical marijuana-infused products manufacturing facility.

Medical Marijuana Testing Facility means a facility certified by the department to acquire, test, certify, and transport marijuana.

Medical Marijuana Transportation Facility as defined by 19 CSR 30-95.100 as a facility licensed to transport medical marijuana from an originating facility to a destination facility within twenty-four (24) hours that also meets the requirements for transportation facilities defined in 19 CSR 30-95.040.

Section 2. The following zoning districts shall be amended; C2-C3, AD, AD-2, and M-1, regulating Medical Marijuana Cultivation, Dispensary, Manufacturing, Testing, Transportation and related uses under the Special Use Process, Berkeley Code 400.530.

Section 3. The following zoning districts shall be amended; C2-C3, AD, AD-2, and M-1 under the Special Use Process, Berkeley Code 400.530 relating to buildings adding; Any building being used as a medical marijuana facility shall have a minimum floor area of one thousand (1,000) square feet.

Section 4. The following zoning districts shall be amended; C2-C3, AD, AD-2, and M-1 under the Special Use Process, Berkeley Code 400.530 relating to Distance Requirements as allowed through State of Missouri 19 CSR 30-95.040(4)(B), to amend the requirement, where the City of Berkeley Code requires a three hundred (300) feet property distance by Section 600.210 (B). Therefore, the distance requirement will reflect three hundred (300) feet.

Section 5. The Annual License Fees shall be established under Section 605.090 as follows:

(21) "Marijuana-Infused Products" means products that are infused with marijuana or an extract thereof and are intended for use or consumption other than by smoking, including, but not limited to, edible products, ointments, tinctures, and concentrates.

(22) "Medical Marijuana Cultivation Facility" means a facility licensed by the department, to acquire, cultivate, process, store, transport, and sell marijuana to a medical marijuana dispensary facility, medical marijuana testing facility, or to a medical marijuana-infused products manufacturing facility.

(23) "Medical Marijuana Dispensary Facility" means a facility licensed by the department, to acquire, store, sell, transport, and deliver marijuana, marijuana-infused products, and drug paraphernalia used to administer marijuana as provided for in this section to a qualifying patient, a primary caregiver, another medical marijuana dispensary facility, a medical marijuana testing facility, or a medical marijuana-infused products manufacturing facility.

(24) "Medical Marijuana-Infused Products Manufacturing Facility" means a facility licensed by the department, to acquire, store, manufacture, transport, and sell marijuana-infused products to a medical marijuana dispensary facility, a medical marijuana testing facility, or to another medical marijuana-infused products manufacturing facility.

(25) "Medical Marijuana Testing Facility" means a facility certified by the department to acquire, test, certify, and transport marijuana.

(26) "Medical Marijuana Transportation Facility" means a facility certified by the department to transport marijuana to a qualifying patient, a primary caregiver, a medical marijuana cultivation facility, a medical marijuana-infused products manufacturing facility, a medical marijuana dispensary facility, a medical marijuana testing facility, or another medical marijuana-transportation facility.

(27) "Medical use" means the production, possession, delivery, distribution, transportation, or administration of marijuana or a marijuana-infused product, or drug paraphernalia used to administer marijuana or a marijuana-infused product, for the benefit of a qualifying patient to mitigate the symptoms or

effects of the patient's qualifying medical condition.

(28) "Non-emancipated qualifying patient" means a qualifying patient under the age of eighteen (18) who has not been emancipated under Missouri law.

(29) "Physician" means an individual who is licensed and in good standing to practice medicine or osteopathy under Missouri law.

(A) A license is in good standing if it is registered with the Missouri Board of Healing Arts as current, active, and not restricted in any way, such as by designation as temporary or limited.

(B) Practice of medicine or osteopathy means practice by persons who hold a physician and surgeon license pursuant to Chapter 334, RSMo, including those who are admitted to practice in Missouri by reciprocity pursuant to 334.043, RSMo.

(30) "Physician certification" means a document, whether handwritten, electronic or in another commonly used format, signed by a physician and stating that, in the physician's professional opinion, the patient suffers from a qualifying medical condition.

(31) "Primary caregiver" means an individual twenty-one (21) years of age or older who has significant responsibility for managing the well-being of a qualifying patient and who is designated as such on the primary caregiver's application for an identification card under this section or in other written notification to the department.

(32) "Principal officers or managers" means persons who, regardless of title, have responsibility for supervising the management, administration, or operation of an entity, including, but not limited to: presidents, vice presidents, or general counsels; chief executive, financial, or operating officers; general partners, managing partners, or controlling partners; managing-members; or trustees.

(33) "Process lot" means, once production is complete, any amount of medical marijuana concentrate or extract of the same type and processed using the same extraction methods, standard operating procedures, and harvest lots; or any amount of medical marijuana infused product of the same type and processed using the same ingredients, standard operating procedures, and harvest lots.

(34) "Public place" means any public or private property, or portion of public or private property, that is open to the general public,

including but not limited to, sidewalks, streets, bridges, parks, schools, and businesses. However, for purposes of designating a non-public place within a public place, the owner or entity with control of any such property may, but is not required to, provide one (1) or more enclosed, private spaces where one (1) qualifying patient and, if required by the owner or entity with control of any such property, a representative of such owner or entity, may congregate for the qualifying patient to consume medical marijuana. The qualifying patient may be accompanied by the family of the qualifying patient, the qualifying patient's primary caregiver, and/or the qualifying patient's physician. The owner or entity with control of any such property may provide such a space by individual request or designate such a space for ongoing use and may limit use of medical marijuana in that space to uses that do not produce smoke. Any such permission shall be given in writing and provided to the qualifying patient or publicly posted prior to a qualifying patient's use of medical marijuana in that space.

(35) "Qualifying medical condition" means the condition of, symptoms related to, or side-effects from the treatment of—

- (A) Cancer;
- (B) Epilepsy;
- (C) Glaucoma;
- (D) Intractable migraines unresponsive to other treatment;
