February 8, 2023

The Honorable Babatunde Deinbo
City of Berkeley
8425 Airport Road
Berkeley, Missouri 63134

Dear Mayor Deinbo,

It is time once again to confirm use of the Ramona-Mathison Lake and pavilion for the annual fishing derby that we co-sponsor. The date we would like to reserve and confirm is Saturday, September 16, 2023, 7:00 a.m. to Noon.

The City of Berkeley has been there from the beginning of the derby many years ago. Your park staff and City Clerk have worked just as hard as our club members to bring this great outdoor event to so many children. We look forward to continuing this wonderful journey together, changing the world one child and one community at a time.

Again, many thanks for your strong support and let us know if the September 16th date works for Berkeley and the Parks Dept. staff. Please let Monica Huddleston know of your and the Council's decision via phone, 314-725-6575, or email at mc4466@swbell.net.

Sincerely,

Charlie Dooley
President
