

Report To City Council

TO: Honorable Mayor & City Council Members
CC: City Manager Nathan Mai-Lombardo
FROM: Deanna Jones, City Clerk
DATE: March 3, 2023
SUBJECT: Fair Housing Law Training

Per the agreement with HUD, the Council is required to participate in Fair Housing Law training. The training is \$1,800 and typically last 90 minutes to 2 hours. Due to EHOC (Metro St. Louis Equal Housing and Opportunity Council) still working remotely, the training session will be virtual. I am requesting for training to be between March 27th and April 14th. Will anytime during these dates be okay for the council members?
